RE: 48 Hour Notice of Contributions
FEC-234242

I attempted to report on Friday, August 11, 2006 contributions of \$1,000.00 or greater on the FEC Website. I have done this in the days prior to this but on August 11, 2006 I would repeatedly get "Error-122" when I hit the submit button. In order to comply with the 48 Hour Notice requirement I faxed the Notice to the FEC fax number 202-219-0174 at 3:03pm on August 11, 2006.

I checked the website on Tuesday, August 15, 2006 to see if our 48 Hour Notice from August 11, 2006 was posted. It had not been posted so I called the FEC Reports Analysis Division to see if the faxed Notice I sent the previous Friday had been received. I was told that they could not confirm if the FEC had received the faxed Notice. The employee I spoke to suggested that I try again to fax the August 11th Notice. I did so the following day and was successful.

I bring this information to the attention of the FEC so they can see that I did fax the 48 hour notice on time. I do have printed documentation to show that I did received an error message from the FEC website and I have a copy of our fax machine's journal showing I did send the fax of the notice on time.

Sincerely
